3) Jesus is God! there never was,
A time when He was not:
Boundless, eternal, merciful,
The Word the Sire begot!
Backward our thoughts through ages stretch,
Onward through endless bliss,--
For there are two eternities,
And both alike are His!

4) Jesus is God! let sorrow come,
And pain, and every ill;
All are worth while, for all are means,
His glory to fulfil!
Worth while a thousand years of life,
To speak one little word,
If by our Credo we might own,
The Godhead of our Lord!

5) Jesus is God! if on the earth,
This blessed faith decays,
More tender must our love become,
More plentiful our praise;
We are not angels, but we may,
Down in earth's corners kneel,
And multiply sweet acts of love,
And murmur what we feel.
